

Pulmonary Critical Care Physician – Full-time

Location: Everett, WA

Western Washington Medical Group (WWMG) is seeking a full-time Pulmonary Critical Care Physician to join our highly respected independent medical group. Our team consists of 9 physicians who provide 24/7 coverage to a high acuity 48-bed ICU within a short drive to the greater Seattle area. Practice full scope Pulmonary Critical Care medicine by managing a mix of complex, critically ill medical and surgical patients with a well-established group.

FTE is comprised of 14 shifts (10 days, 4 nights) per month

WWMG is an independent, provider owned and governed multispecialty medical group, consisting of approximately 100 providers. Leadership opportunities are available for motivated physicians. Our primary practice site is a level 2-trauma center, comprehensive stroke center, which is the primary referral hospital for North Puget Sound.

WWMG is located on the Puget Sound in the beautiful Pacific NW, 25 miles north of Seattle in Everett Washington. The Pacific NW has an abundance of outdoor activities such as fishing, hiking, skiing, kayaking, and sailing. Quick access to the Cascades, Olympic Mountains, and Vancouver, BC. The greater Seattle area has a vibrant cultural scene with world-class arts and entertainment, and a thriving economy. Enjoy work life balance and the same benefits as living in Seattle with a lower cost of living.

Qualifications:

Board Certified / Board Eligible in Critical Care or Pulmonary Critical Care
Washington State Medical License
Not a J1 position

Physician Benefits:

- Stable group with low physician turnover
- Employment position with partnership opportunity
- Excellent medical, dental, and vision benefits
- Competitive compensation
- Significant growth opportunities
- 401k retirement program plus profit sharing
- No state income tax
- EPIC EMR
