FINANCIAL AGREEMENT

We consider all patients as **"private"** unless their insurance is one with whom we have a contractual agreement. We will bill your insurance as a courtesy but the balance for "private" patients is due and payable within 30 days. Many insurance plans cover a certain percentage only of the fees charged. The insurance normally only covers the "usual and customary" fees. Your insurance, as a result, may cover less than you thought they might, or you may have a deductible to meet first. You may have scheduled a visit that is not covered by your insurance, such as Preventative Care. It is the patient's responsibility to check their benefits prior to being seen.
*Please be familiar with the benefits provided by your health plan.

If your insurance requires a referral or if we need insurance authorization prior to your visit, it is YOUR responsibility to see that your health plan requirements are met. If your insurance information or other documents needed are not provided at, or prior to, your first visit, any charges incurred will be your responsibility.

Co-pays are due at time of service, if you are unable to pay your co-pay at time of service there may be an **additional $15.00 fee** charged to your account.

Should the account be referred over to our collection agency the undersigned, or their agent, will be responsible for payments of interest on the unpaid balance of 1% per month from the date of the service, collection fees, reasonable attorney fees and court costs.

We charge $35.00 for any NSF checks. (per RCW 62A-3-515 & 520)

With my signature, I acknowledge that I have read the above statement and agree to pay any charges within 30 days of receipt of statement unless other arrangements (such as contractual insurance) have been made. I authorize the physician to release my information required to process my insurance claims and authorize my insurance company to make payment directly to my physician.
I HAVE READ THE FINANCIAL AGREEMENT. I UNDERSTAND AND AGREE TO THIS POLICY.

No Show/Cancellation Policy

We strive to provide excellent medical care to our patients. In order to be consistent with this, we have a Patient No-Show and Cancellation Policy that we have adopted for our clinic. When an appointment is scheduled, that time has been reserved for you and when it is missed or cancelled on short notice, that time cannot be used to see another patient.

Our policy is as follows: You may cancel your appointment up until **24 hours before** your scheduled appointment with no consequences. We will be happy to reschedule the appointment for you and leave the open time for another patient. If you miss your appointment or cancel any time the day of your appointment, Western Washington Medical Group, Department of Podiatry, reserves the right to bill you **$50.00** for each no-show or late cancellation. This fee is the patient's responsibility and is not billable to insurance.

Additionally, if a patient is more than 15 minutes late to his/her appointment without prior notification, we reserve the right to cancel the appointment and the cancellation fee of **$50.00** will apply.

We do realize that on rare occasions emergencies or circumstances may arise beyond your control. We will address these situations with you should that occur.

If you have any questions regarding this policy, please direct them to the practice administrator. We thank you for working with us to ensure that we are able to provide the best service possible to all of our patients.

I have read and understand the Patient No-Show and Cancellation Policy of the practice and I agree to the terms. I also understand that such terms may be amended periodically by the practice.
