

Western Washington
Medical Group

Position: Neurologist

Seeking a full-time General Neurologist.

Western Washington Medical Group is seeking a General Neurologist to join our medical group; a robust multi-specialty group of 100+ providers. The ideal candidate will have post-residency/fellowship practice experience. He/she thrives in a busy practice, and is interested in joining a potential salary-to-ownership track.

Western Washington Medical Group is an independent, provider-owned multi-specialty group with a vision to provide personalized, collaborative, high quality care. We are board-certified/board-eligible providers in primary care and most specialties.

We are located on Puget Sound, 25-minutes from Seattle, nestled between the ocean and the rugged, snow-capped peaks of the Cascade Mountains. Come live in Snohomish County, one of the fastest growing regions of the country! This area of the Pacific Northwest is particularly attractive for raising a family, offering a wide variety of world-class cultural activities, easy access to beautiful outdoors environments, and excellent school systems.

Professionally, WWMG is a collegial group of specialists and primary care providers who support physician interests and autonomy.

We offer a competitive salary, excellent benefits, and the ability to work within a very collaborative environment of primary care and specialty providers.

If you are interested in establishing your Neurology practice within an independent multi-specialty group, please apply!

Please send your resume, attention:
