

Western Washington Everett Family Medicine is looking to add a FT ARNP to busy Family Medicine Practice. We have a provider getting ready to retire at the end of June 2020 with a full panel of patients.

Western Washington Medical Group is physician owned and operated.

We are located just 40 minutes North of Seattle, Washington in Everett.

This is a great area for outdoor sports including hiking, biking, skiing, and water sports.

Education:

Preferred Education

- Board Certified ARNP
- Current RN and ARNP licensure, valid, in good standing and unrestricted license in WA State.
- Current and valid DEA

Experience:

Preferred Experience

- 2 years of experience as a certified Family Practice ARNP, managing individual patient panel within Primary Care setting.

Description:

- Excellent communication skills and a delivery style that is welcoming and open with patients
- Provide primary care medical services to patients including preventative, maintenance and episodic care.
- Effectively identify, evaluate and address disease prevention and health promotion issues
- Diagnose and treat acute, chronic and long-term healthcare issues.
- Screen all patients for health maintenance needs.
- Maintain a productive work schedule.
