Certified Medical Assistant – Full Time

WWMG is currently searching for a CMA to join our ENT & Allergy team. Compensation depends on experience.

The Certified Medical Assistant gets to:

- Room patients and obtain vital signs.
- Take complete health history and perform medication reconciliation.
- Enter documentation into EMR (experience with Centricity/Athena Practice preferred)
- Set up and assist in minor office procedures.
- Clean, sterilize, and maintain instruments.
- Perform a variety of in office testing including allergy testing, spirometry, exhaled nitric oxide.
- Give intradermal, subcutaneous, intramuscular injections.
- Refill prescriptions, obtain insurance prior authorizations, complete paperwork as needed.
- Triage calls.
- Other duties as assigned

As a qualified applicant, you will need:

- High school diploma or equivalent.
- Completion of a Medical Assistant Program OR completion of a Military Medical Corpsman Program.
- Current active WA State CMA license.
- Reliable, punctual, and committed to quality care.
- Demonstrated ability to manage multiple tasks simultaneously.
- Highly organized with a high level of attention to detail.
- Ability to communicate clearly both orally and in writing.

Our staff not only enjoys full benefits and professional growth opportunities, but also an environment noted for diversity, community involvement, intellectual excitement, and collaboration.

We're interested in learning more about you and appreciate your taking the time to apply online. We are committed to employing a diverse workforce. *We welcome job applications from qualified individuals without regard to race, color, creed, religion, ancestry, national origin, age, sex, pregnancy, marital status, physical or mental disability, or any other protected characteristic. Minorities, women, disabled persons, and veterans are encouraged to apply.*
