

**Western Washington**  
Medical Group

**Audiologist** – Part Time to Full Time

**Date:** 4/3/25

**Location:** 3125 Colby Ave, Suite J, Everett, WA 98201

## **JOB SUMMARY**

Western Washington Medical Group is looking for an ambitious and energetic Audiologist to join our team. We serve patients of all ages, with a focus on adults.

The Audiologist has dedicated time for diagnostic evaluations, patient counseling, and personalized hearing care solutions. We focus on best practices in our service delivery and Audiologists have the autonomy to choose manufacturers and accessories based on each patient's unique needs.

## **PRIMARY JOB FUNCTIONS**

- Performs and interprets diagnostic audiological evaluations, including tinnitus assessments, impedance audiometry, and otoacoustic emissions.
- Provides amplification services including hearing aid assessment testing, real ear measurements, and live speech mapping.
- Coordinates and interprets test results.
- Consults with and makes recommendations on hearing disorders to physicians.
- Coordinates care with physicians and other providers.
- Completes chart notes for each patient seen and sends written reports to referring physician and primary care physician.
- Provides training and education to patients, colleagues, and staff as needed to support best practices in audiology and patient care.
- Manages Hearing Rehabilitation:
  - Counsels patients on test results and hearing care options.
  - Selects, fits, and maintains hearing aids and assistive devices.
  - Provides ongoing patient education and support for hearing rehabilitation.

## **QUALIFICATIONS**

- Doctorate or Master's in Audiology with a current state license and national certification.
- Hearing instrument dispensing license (if required).
- Strong interpersonal, problem-solving, and patient counseling skills.
- Experience with EMR systems, diagnostic tools, and hearing aid software.
- Ability to prioritize tasks, work efficiently under deadlines, and handle interruptions.

## **Physical Demands and Work Environment**

Requires movement throughout the office, occasional lifting (up to 30 lbs), and frequent patient interaction.

**Benefits:**

Our staff enjoys medical, dental, vision, 401K, profit-sharing benefits, professional growth opportunities, as well as an environment noted for diversity, community involvement, intellectual excitement, and collaboration.

We are interested in learning more about you and appreciate you taking the time to apply online.

**Schedule:** Monday to Friday, no weekends

**Salary range:** \$90-\$120k, depending on experience, skill set, and education.

**To Apply:** please send cover letter and resume to: [jsmecker@wwmedgroup.com](mailto:jsmecker@wwmedgroup.com).

*Western Washington Medical Group is an Equal Opportunity Employer. We celebrate diversity and inclusion and welcome applications from qualified candidates, regardless of race, color, religion, sex including sexual orientation and gender identity, national origin, disability, protected veteran status or any other characteristic protected by applicable federal, state or local law.*
