Western Washington Medical Group is seeking an Ear, Nose, and Throat (ENT) Doctor to join our medical group; a robust multi-specialty group of 100+ providers. We are looking for the right candidate to join an established surgical practice with a busy panel of patients and a track-record of operational and financial success. Western Washington Medical Group is an independent, provider-owned multi-specialty group with a vision to provide personalized, collaborative, high quality care. We are board-certified/board-eligible providers in most specialties and primary care.

We are located on Puget Sound, 25-minutes from Seattle, nestled between the ocean and the rugged, snow-capped peaks of the Cascade Mountains. Snohomish County is one of the fastest growing regions of the country! This area of the Pacific Northwest is particularly attractive for raising a family, offering a wide variety of world-class cultural activities, easy access to beautiful outdoors environments, and excellent school systems.

Professionally, WWMG is a collegial group of specialists and primary care providers who support physician interests and autonomy.

We offer a competitive salary, excellent benefits, and the ability to work within a very collaborative environment of primary care and specialty providers.
