When you join the WWMG team, you will become part of the most professional, caring, and respected medical community in Washington. This isn't big business. We don't answer to Wall Street. We answer to our patients, and we provide them with the highest quality care – care that you can be proud of!

Join our top-performing team at WWMG's Endoscopy Center. We believe in continuous improvement, and work hard to offer world class care to our patients. We are trusted by patients, are valued members of the community, and are creators of positive change.

Duties include but not limited to:

- Admission and recovery of patients undergoing endoscopic procedures
- Assisting the physician in procedure room during endoscopic procedures
- Thorough assessments of patient status (physical, emotional, social)
- Complete documentation in patient's electronic medical record
- Establish and maintain patient safety throughout visit
- Establish and maintain IV access on patients
- Provide education to patient and their family
- Follow infection control standards

Job Requirements:

- Valid WA state RN license
- BLS Certification
- A minimum of one year of Medical-Surgical experience
- Ability to collaborate with the nurse manager, physicians and RN/technician staff
- Ability to multitask and be flexible with good time management
- Excellent attendance
- Prolonged periods of standing and walking
- Ability to work in a fast paced, high volume environment
- Outstanding interpersonal skills and bedside manner
- Proof of legal authorization to work in the United States

Preferred:

- ACLS certification
- A minimum of one year of endoscopy experience
