Advanced Practice Provider - Full Time

Date: 6/9/2026

Location: 4225 Hoyt Ave. Suite A, Everett

Advanced Practice Providers near and far - join us in Everett, WA!

If you are looking to make your next career move, consider Western Washington Medical Group. We are a locally-owned, passionate group of providers who love nothing more than serving our community and offering the exceptional level of care that keeps our patients coming back.

We are currently searching for a full-time Advanced Practice Provider (ARNP or PA) to join our Gastroenterology team. The ideal candidate is a well-balanced diagnostician who will counsel, educate, and motivate patients and their significant others to take responsibility for their physical, mental health and wellbeing. Under the supervision of an attending physician, you will be responsible for providing a variety of medical services in clinic, some of which include:

- *Taking patient histories*
- *Performing physical exams*
- *Ordering diagnostic tests and procedures (endoscopy)*
- *Documenting patient medical records appropriately*
- *Other duties as assigned by the physician, while ensuring compliance with all legal, regulatory and clinical policies and procedures.*

We encourage active participation in this organization as you work to uphold superior standards of excellence. The Advanced Practice Practitioner will function effectively as a member of the healthcare team in respect to interpersonal relations, team skills and written and oral communications.

Benefits:

At WWMG, we are committed to providing an excellent workplace experience and a wonderful employee experience. One way we accomplish this is by providing a robust benefits package, which includes:

- *Competitive pay (\$130k - \$150k annual salary for 1.0 FTE) depending on experience, skill set, and education*
- *Unsurpassed growth opportunities*
- *Medical, Dental, Vision insurance*
- *AD&D, LTD and Basic Life are provided for all employees*
- *401(k) plan with a generous profit share and match*
- *Four (4) weeks of vacation/year*
- *Sick time accrual in accordance with Washington state law*
- *9 paid holidays/year*
- *Flexible schedules*
- *Family friendly and people focused workplace*
- *The opportunity to work for the best healthcare company in Washington*

Western Washington
Medical Group

Qualifications:

- Must have current State of Washington license and licensure with current certification from associated national academy affiliation.
- Certification in Basic Cardiac Life Support (BCLS) required
- Certification in Advanced Cardiac Life Support (ACLS) required
- Gastroenterology and/or Hepatology experience is highly preferred
- You must be able to provide proof of legal authorization to work in the United States
