Welcome!

In order to help make your first visit with us more convenient, we have provided forms for you to print off and complete prior to your appointment. If you are unable to complete your paperwork prior to your appointment, please plan on arriving 20 minutes prior to your scheduled appointment time so you can fill out the necessary forms. Our goal is to make your first visit a pleasant experience!

When you come for your first appointment, please bring the following:

- Patient Registration Form
- Patient Health History Form
- Signed Financial Agreement
- Signed Consent to Release Information
- Signed No-Show and Cancellation Policy
- Signed Privacy Policy Acknowledgement
- Medical Insurance Card
- Written referral from you primary care physician (if required by your insurance)
- Current Medication List
- Photo I.D.

Your first appointment is one hour long and you will be asked to give a urine sample.

Co-payments are required at the time of your visit. If you do not have medical insurance, we require a \$150.00 down payment at the time of service. Payment arrangements can be made for your balance.

Please do not assume that your referral has been approved unless you have received confirmation from your insurance company. Please contact your Primary Care Physician or our office prior to your appointment to confirm that your referral has been received by us.

Feel free to call our office at 425-258-6801 and press "0" if you have any questions. We look forward to meeting you!
