

Western Washington
Medical Group

Critical Care or Pulmonary/Critical Care Physician – Full-time

Date: June 30, 2021

Location: Everett, WA

Western Washington Medical Group (WWMG) is seeking a full-time BC/BE Pulmonary/Critical Care or Critical Care Physician to join our growing, well-respected medical group. Our team consists of 13 Critical Care/ Pulmonary Physicians who practice in community and academic tertiary settings. This is an opportunity to practice full scope Critical Care and Pulmonary Medicine with the flexibility to tailor your work to your clinical interests. The practice covers 2 busy medical and surgical ICUs along with a busy pulmonary consultative practice. Our fulfilling practice includes academic teaching for the hospital's Internal Medicine and Family Medicine residency programs.

WWMG is located in the beautiful Pacific NW, 25 miles north of Seattle with locations in Snohomish and Skagit Counties. Wonderful recreational opportunities abound with easy access to the Cascade and Olympic Mountains for hiking and skiing, Vancouver, BC, Whistler, and the San Juan Islands. Puget Sound offers world class fishing, kayaking, wind surfing, and boating. The greater Seattle area is known for excellent arts, a robust economy, and the natural beauty of the Pacific Northwest.

Qualifications:

- Board Certified / Board Eligible in Pulmonary/Critical Care or in Critical Care Medicine
- Washington State Medical License
- Not a J1 position

Physician Benefits:

- Employed position with excellent medical, dental, and vision benefits
- Competitive compensation w/performance bonus
- 401k retirement program plus profit sharing
- No state income tax

Please send your resume to: Ryan Sundquist at rsundquist@wwmedgroup.com
