

Western Washington
Medical Group

Sleep Medicine Provider – ARNP, Nurse Practitioner, PA-C – Full Time

Date: 3/10/26

Location: Everett, Edmonds, and Bellingham, WA

Western Washington Medical Group - Sleep Medicine Clinic has an outstanding opportunity for an ARNP, Nurse Practitioner; or PA-C, Physician Assistant.

We are currently searching for full-time Sleep Medicine provider to join our sleep medicine practices in Everett, Edmonds, and Bellingham, WA. We are hiring candidates for ARNP, NP, and PA positions. Schedule is Monday – Friday, no weekends and no call.

We are seeking both experienced providers and/or providers interested in learning and practicing sleep medicine to join our growing team of highly regarded providers and support staff. As a member of Western Washington Medical Group, we combine the familiarity of a small family practice with the support of a large, established, well-respected healthcare organization. We are a locally owned, passionate group of providers who love serving our community and offering the exceptional level of care that keeps our patients coming back.

Our staff not only enjoys full benefits and professional growth opportunities, but also an environment noted for diversity, community involvement, intellectual excitement, and collaboration.

General Responsibilities:

Provide multidisciplinary assessment, treatment and follow-up consultation services for patients with suspected or diagnosed sleep-related problems. Our medical and therapeutic interventions cover the full spectrum of sleep disorders, including sleep apnea, narcolepsy, insomnia, restless leg syndrome/periodic limb movement disorder and circadian rhythm abnormalities.

Primary clinic located in Everett. Our team also sees patients in Edmonds and Bellingham. Bellingham trip 2-4 times per month depending on need.

Manage established adult patients referred to for evaluation of sleep disorders and less frequent pulmonary disorders.

Responsibilities include performing clinical assessments, ordering and interpreting sleep studies, initiating and managing PAP therapy, prescribing pharmacologic treatments as appropriate, and counseling patients on behavioral strategies to improve sleep quality

Plays a central role in ongoing follow-up for sleep therapy compliance, patient education, and coordination with DME vendors

Provide healthcare to all age groups in accordance with the State of Washington Department of Licensing and professional scope of practice. In addition, the practitioner provides diagnostic and therapeutic healthcare services, while making reasonable and sound clinical assessments and treatment plans.

Required Qualifications:

- Valid license to practice in the State of Washington
- Active DEA controlled substances registration

- Current certification from associated national academy affiliation
- Basic Life Support for Healthcare Providers (CPR/AED) certification
- You must be able to provide proof of legal authorization to work in the United States

Preferred Qualifications:

- CPT/ICD-10 coding experience
- EHR/EMR experience
- Pulmonary medicine experience

Education:

Master's degree (required or equivalent)

Experience:

Family practice - 1 year (preferred)
Sleep medicine – 1 year (preferred)

Benefits:

At WWMG, we are committed to providing an excellent workplace experience and a wonderful employee experience. One way we accomplish this is by providing a robust benefits package, which includes:

- Competitive pay
- Continuing Education Credits
- Unsurpassed growth opportunities
- Medical, Dental, Vision insurance
- AD&D, LTD and Basic Life are provided for all employees
- Malpractice insurance
- 401(k) plan with a generous profit share and match
- Paid vacation time
- Sick time accrual in accordance with Washington state law
- 9 paid holidays/year
- Flexible schedule, no evenings or weekends
- A family friendly and people focused workplace
- The opportunity to work for the best healthcare company in Washington

Compensation:

Total compensation (base salary + production): \$140K - \$170K per year, depending on experience, skill set, and education.

Hours: Schedule is full time Monday – Friday, no weekends and no call

To Apply: please send cover letter and resume to: rsundquist@wwmedgroup.com.
