

WWMG GI Procedure Appointment & Instructions

You are scheduled for the following procedure(s):

EGD Colonoscopy (FOS) Sigmoidoscopy Upper EUS Lower EUS ERCP

Your Appointment Date / / Check-In Time : AM PM

Your check-in location/facility (*Do not go to the main office in Everett for any of the above procedures!*):

- Everett (North)**: Providence Regional Medical Center Everett, 1321 Colby Ave, Everett, WA 98201
- Anacortes**: Island Hospital, 1211 24th Street, Anacortes, WA 98221

Please read the entire instruction package NOW, as your preparation checklist starts 5 days ahead of your procedure day.

1. Review your 5 day preparation instructions attached to this cover sheet.
2. **Move-up Policy**: Day before/on the day of your procedure there is a chance that your appointment may be moved to an earlier time. Please make sure your driver is available for these possible changes.
3. **Driver**: Due to the IV sedation, you are required to have a driver or adult escort (except for unsedated sigmoidoscopy). If you do not have an adult escort/driver, your procedure will be cancelled. Plan 3-4 hours at all satellite locations listed above.
4. Please leave your pets at home unless a registered service animal.

Contact: (425) 259-3122 (24 hours) for any questions regarding appointment changes, medications, or preparation.
