

Certified OR Surgical Tech

POSITION TITLE: Certified Operating Room Surgical Technologist

JOB STATUS: Full-time, Non-Exempt

REPORTS TO: Director of Surgical Services

LOCATION: Everett – Gateway Surgery Center

Date Posted: 7/29/2026 We are seeking a Full Time skilled Surgical Technologist to join our team. The ideal candidate will be responsible for assisting during surgical procedures, ensuring a safe and sterile environment, and providing support to the surgical team.

Hours:

Hours are variable, based on the needs of the schedule. Start time is based on the surgery schedule - as early as 6:00 am and as late as 10:00 am. We are open Monday through Friday, 7:30 am -7:00 pm. This position is for a full time surgical tech who is willing to work 5 days a week.

Note: This position will also require working in the SPD and Instrument Processing Dept. We share the techs in that role.

Duties:

- Prepare operating rooms for surgery, including setting up surgical instruments and equipment
- Assist surgeons during procedures by passing instruments and supplies
- Maintain a sterile field throughout the surgical procedure
- Prepare and transport patients for surgery
- Collect and label specimens for laboratory analysis
- Assist with patient positioning and ensure their safety during surgery
- Manage surgical equipment and supplies inventory
- Wash/process instruments per AORN guidelines, operate Autoclaves

Requirements:

- Certification or Associate's degree in Surgical Technology
- Knowledge of surgical procedures, instrumentation, and equipment
- Proficiency in suture techniques
- Familiarity with infection control protocols in the operating room (OR)
- Ability to monitor vital signs and assist with patient care in critical care situations
- Strong data collection skills and attention to detail
- Understanding of hospital medicine practices and workflows

Nice-to-Have Skills:

- Experience with electronic medical records systems like Epic
- Knowledge of maintaining sterile fields and infection control practices in the OR

Join our team as a Surgical Technologist to contribute to exceptional patient care in a dynamic healthcare environment.
